

Highlight

Chateau Royale Hotel Resort and Spa boosts the first ever Treetop Adventure in the South. If you are in for an action packed adrenaline-pumping activities, then this is perfect for you. The adventure will take you swinging on top of the trees 30 feet from the ground. It is equipped with the Smart Safe Belay “SSB” system to ensure safety while you’re on track.

It comes in (2) two division. One for kids (ages 11 years old and above) and kids at heart 😊, and the other one for those extreme adventure seekers.

What You’ll Experience

Are looking for challenge? We got you. This adventure gives you nine (9) stations which will challenge you from easy, medium, to difficult activities.

Station 1. Hanging Stairway- With the steps constantly moving, the key to smooth travel up the Hanging Stairway will be an engaged core.

Station 2. Tension Track- strong knees will be needed to step with surety and balance along the Tension Track.

Station 3. Swinging Logs - Strength, balance and skilled movement now come into play.

Station 4. Monkey Bridge- This is highest challenge among all, so you really have to face your fear of heights on this one.

Station 5. Balance Beam- Balance your way across the beam 30 feet above the ground.

Station 6. Flying Carpet- Take air! Jump from platform to platform.

Station 7. Tarzan’s Swing- No special physical abilities or skills required. Just pure trust, self confidence and courage.

Station 8. Zipline- Zip through the forest, relax a bit because you’ll need to reset your guts for the next challenge.

Station 9. Mega Trust Fall- As the last activity on the entire loop, the best way to get down is by gravity.
